**RE: Source Model
MD-497-S-107-S
Afterloading Source**

Dear Mr. Manley:

Please amend the source model number from DRN7736 to 105.002. For clarification, there has been no change in the source design. The 105.002 is the number that correlates to the design version of the source and was a number assigned by Nucletron. The DRN7736 number is the product code used by Mallinckrodt.

If you have any questions regarding the above matter, please contact the undersigned at 410-872-4435.

Sincerely,

Lisa Cole Dimmick
Director of Regulatory Affairs
