Roger,

After I sent the draft summary, I realized that I should have reflected the change to wording for the RAI. The change has been made to the draft RAI, and the letter will reflect a response date of 180 days from the date of the letter. In addition, I will revise the call summary as suggested.

Attached is the revised draft RAI. The only change is to the second question under number 1 of the Issue. I've removed the wording "(IP2) and prior to the period of extended operation (IP3)."

Please let me know if there are any other changes/clarifications needed to the draft RAI or the summary.

Kim

Kim,

Would it be possible to add the following?:

The applicant requested some changes to the wording of the draft RAIs. The staff agreed to consider these requested changes and provide revised draft RAIs prior to issuance of the final version.

The applicant requested a 180-day response period for these RAIs. The staff agreed to this request.

Thanks,

Roger

Roger,

Attached is the draft telecon summary for the call that was held on February 20, 2014. Please let me know if any changes or corrections are needed to the summary.

I've copied Juan Uribe on this email. If I'm out of the office, he will be able to answer your questions.

Thanks,
Kim
