Ron,

I am in agreement with how the LC reads.

Mike

Subject: Draft LC 9.2

Mike:

I removed reference to ML14045A226 in tie down condition as it was an NRC document.

I removed reference to ML 14045A211 as it was a draft document from Uranerz for review.

I also missed "ML" in front of a few numbers. Please respond.

LC 9.2 should now read:

LC 9.2 The licensee shall conduct operations in accordance with the commitments, representations, and statements contained in the license application dated November 30, 2007, as amended by submissions dated August 21, 2008, March 11, 2009, February 24, 2010, September 15, 2010, September 22, 2010, October 3, 2013 (ML13282A301), February 13, 2014 (ML14050A023), February 18, 2014 (ML14063A068), February 19, 2014 (ML14051A113), February 28, 2014 (ML14063A214), March 4, 2014 (ML14064A128), March 5, 2014 (ML14065A018), March 6, 2014 (ML14066A051) and March 11,

2014 (ML14071A092) which are hereby incorporated by reference, except where superseded by specific conditions in this license. The licensee's approved license application must be maintained on site.

Whenever the word "will" or "shall" is used in the above referenced documents, it shall denote a requirement.
