Dear Mr. Botti:

It has come to our attention that your NRC radioactive materials license contained an error. Specifically, Condition No. 14 (i.e., "tie-down" condition) of the license listed an application dated May 10, 2013, rather than your initial license application dated July 10, 2013. This error has been corrected and a corrected copy of the license is enclosed. We apologize for any inconvenience this error may have caused you.

In accordance with Title 10, *Code of Federal Regulations* (CFR) 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact me at (630) 829-9573.

Sincerely,

A handwritten signature in black ink, reading "Dennis P. O'Dowd".
