SUBJECT: MOLECULAR IMAGING SERVICES, INC., VOIDANCE OF APPLICATION FOR  
LICENSE AMENDMENT, CONTROL NO. 582874

Dear Mr. DiGregorio:

This concerns your amendment request letter dated December 31, 2013, requesting to add 18958 Coastal Highway One, Rehoboth Beach, Delaware, under Henlopen Cardiology, P.A., as a location of use on your license, and to terminate the Henlopen Cardiology, P.A. license. Additional information required to complete the action was requested by Janice Nguyen on February 21, 2014. Because you informed us on March 31, 2014, that you no longer need the requested action, we have voided your application. This action is taken without prejudice to the resubmission of your request.

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement and not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities.

Thank you for your cooperation.

Sincerely,
