MEMORANDUM

TO: File

FROM: Bill Slocumb *BA*

DATE: May 1, 1996

SUBJECT: Binder titled "Leksell Stereotactic System"

The material contained in this binder was not considered as part of this agency's evaluation of the Leksell Gamma System Model 23004 Type B because it only contains a brief mention of the Leksell Gamma Knife in the Introduction Section and Section Numbers 23 & 23A.

It has been placed in the file for information puposes only.
