

# MEMO

**To:** File  
**From:** Eric Jameson   
**Subject:** SS&D registry GA-269-D-102-S  
**Date:** August 8, 1996

Summary of Telephone Conversation with Richard Grome, Attorney-in-fact, Elekta Instruments, Inc.  
Call took place between 4:15 and 4:30 pm on Wed August 7, 1996.

- Acknowledge receipt of SS&D amendment request to allow for treatment stop cycle upon loss of power.
- Question regarding deletion of item 3.4.1 (Check couch return upon stop treatment request) when Functional Test changed to Installation Test Protocol.
- Request that Acceptance Test procedure be updated to reflect amendment to SS&D.

A draft copy of the registry was faxed this morning. Revised Acceptance Test procedure expected by end of next week. Answer on item 3.4.1 expected in a couple of weeks.
