SUBJECT: UNIVERSITY OF CONNECTICUT, ACCEPTANCE OF NOTIFICATION OF
PREVIOUS ACTIVITIES AT A SITE, CONTROL NO. 583432

Dear Mr. Price:

In the letter signed by your Radiation Safety Officer, dated February 10, 2014, it stated that the location at 641 Scofieldtown Road had been used for licensed activities. This was contrary to the information provided in the letter dated January 6, 2006. The location was removed from the license on January 27, 2006, when Amendment 39 was issued. Since the location is no longer on the license, an amendment is not required.

Based on the submitted information and surveys, the location at 641 Scofieldtown Road met the 10 CFR 20 Subpart E criteria. We have no further questions at this time.

Sincerely,

Original signed by Dennis R. Lawyer
