Subject: Anticipated Submittal Date for Responses to Smith Ranch Highland License Renewal RAIs

Dear Mr. Mandeville:

Cameco will have a significant portion of the Smith Ranch Highland License Renewal RAIs completed at the end of April 2014. Consistent with your direction, instead of submitting two response packages, the remaining RAIs responses will be completed and the entire response package will be submitted by June 30, 2014.

If you have any questions or comments, please do not hesitate to call Josh Leftwich at 307.316.7588.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Leftwich for JOSH LEFTWICH".
