Order

(Granting the Parties' Requested Extension of Time)

On April 11, 2014, the Board in this proceeding issued an order instructing the NRC Staff and Shaw AREVA MOX Services, LLC (Applicant) to reply to Intervenor's comments on the redactions to LBP-14-01 that have been proposed by the Staff, Applicant, and NRC's Office of Nuclear Security and Incident Response.<sup>1</sup> The Board asked the parties to file their replies by April 16, 2014, to include both an indication of which entity proposed each redaction and a proposal for how the Board should proceed with the redaction process in order to expedite public release of LBP-14-01.<sup>2</sup> The Board's order anticipated the possibility that the parties might need an extension of time to prepare their replies.<sup>3</sup>
