Dr. John L. Lobdell
Novoste Corporation
3890 Steve Reynolds Boulevard
Norcross, Georgia 30093

Dear Dr. Lobdell:

Enclosed is a copy of the **amended** "Registry of Radioactive Sealed Sources and Devices Safety Evaluation of Device" Number **GA 1115-D-101-S, A1000 series (Beta-Cath and Corona)**, per your request dated February 26, 2001. A copy of the registration certificate has been forwarded to the United States Nuclear Regulatory Commission for inclusion in the sealed source and device registry.

If you should have any questions, please call our office at (404) 362-2675.

Sincerely,

Eric T. Jameson
Environmental Radiation Specialist
Radioactive Materials Program
