Re: License Numbers GA 1350-1 & 2 and SS&D Certificate GA-1115-D-101-S

Dear Mr. Jameson:

Best Vascular, Inc. (Best Vascular) is entering into an agreement with Novoste Corporation that will transfer the Novoste Corporation vascular brachytherapy (VBT) business to Best Vascular. We understand that Novoste is requesting that the Food and Drug Administration (FDA) transfer the Pre-Market Approval (PMA), number P000018, for the Beta-Cath™ System to Best Vascular, and we will be bound by obligations of PMA number P000018 for continued marketing of the Beta-Cath™ System.

To complete the transition, I request that the Department approve the transfer of ownership from Novoste Corporation to Best Vascular, Inc. for licenses GA1350-1, GA 1350-2 and Sealed Source & Device Registration Certificate GA-1115-D-101-S. The amendments that replace Novoste Corporation with Best Vascular, Inc. as the licensed entity should be effective on or about September 20, 2005, the tentative closing date. To justify the transfer, on behalf of Best Vascular, Inc., my Company commits to implement the radiation protection program described to and authorized by the Department in the licenses and registration certificate.

No changes to the licensed radiation protection program, aside from the company name, ownership/management are being requested. As Best Vascular's owner and ranking manager, I have the demonstrated willingness and ability to implement comparable/compatible U.S. Nuclear Regulatory Commission requirements for the manufacture and distribution of both sealed and unsealed radioactive material for medical use under NRC license #45-19757-01 granted to Best Medical International, Inc., an affiliated company of Best Vascular, Inc. The RSO for Best Medical is Dr. Billy Bass, who can be reached at 1-800-336-4970, ext. 121. The RSO for Best Vascular will be Mr. Craig Reed, who is currently the Novoste Corporation RSO, and he can be reached at (770) 717-6098.

If you have any other questions, please contact me at 1-800-336-4970.

Sincerely,

Krishnan Suthanthiran
President
