Hi Tessa,

No problem, sorry to hear about the water pipe. I will wait to hear back from you regarding new shipping address.

Thank you,
Annette Stang

Subject: KI shipment to CT
Importance: High

Good afternoon Annette –

Please be advised that we are looking into an alternate site for the shipment. Our original site was at the facility located on Brainard Road in Hartford. Unfortunately, that site had a broken water pipe over the weekend making that site unsuitable for storage.

We are working on identifying another site and will get back to you as soon as possible. There will be time constraints for the delivery of the KI.

We will NOT BE READY to accept the shipment of the KI the week of April 21 through 25 . There will be a statewide exercise that week.

We will keep you informed.

Thanks.
