Mike,

The PA notes the date that SHPO indicated that it received the NRC's 3/6/14 letter transmitting the tribal field survey report. This date of receipt of the 3/6/14 letter was added to the PA at ACHP's request and it has not changed. The date is not referred to in the PA as an "acceptance" date. The end date for the 30 day review is not provided in the PA.

That may be an important question for NRC to ask SHPO since potentially NRC may have the wrong date for the end of the 30 day review period if SHPO restarted their clock upon receipt of the complete report.

Not to my knowledge.

Hi Johari:

Could you tell me whether the Wyoming SHPO has adjusted the 30-day review period based on the attached submittal? I noted that the PA references the original SHPO acceptance date and wonder whether that has changed.

Thanks

Mike
