**Subject:** DRAFT 2.3 Seismic Staff Assessment Enclosures for Susquehanna

Jeff...this email is a followup to our conversation,this morning.

PPL Susquehanna has reviewed the enclosure to the DRAFT 2.3 Seismic Staff Assessment Enclosures for Susquehanna and we agree with the NRC Staff that no security-related information is contained in the draft. Additionally, our technical review of the enclosures accurately represented the results of SSES's 2.3 Seismic Walkdown Effort. Please let me know if you need an additional information.

Best regards,
