

Docket Nos. 50-361
and 50-362

Dr. John M. Heslop, Chief
Environmental Health and Consumer
Protection Program
Department of Public Health
2151 Berkeley Way
Berkeley, California 94704

Dear Dr. Heslop:

With my letter to you of June 15, 1970, I enclosed a Notice of Receipt of an Application and the application for a facility license, including the Preliminary Safety Analysis Report, filed with the Atomic Energy Commission by the Southern California Edison Company and the San Diego Gas and Electric Company for the San Onofre Nuclear Generating Station Units 1 and 2.

In this connection, Amendment No. 1, dated August 31, 1970, to the above referenced application is enclosed for your information.

The Amendment consists of errata corrections and supplementary information, some of which has been submitted in response to the Atomic Energy Commission regulatory staff's request for additional information on site geology and seismology.

Sincerely,

Peter A. Harris, Director
Division of Reactor Licensing

Enclosure:
Amendment No. 1
