Dear Mr. Lodhi:

This letter is to document that Tetra Tech, Inc. no longer will be using 990 Shall Cross Lake Road, Middletown, Delaware, to store licensed materials (sources in density gauges). We have monitored this facility using our radiation monitor with no abnormalities noted. There were never any incidents or abnormalities when using this facility to store licensed materials.

If you have any questions, or are in need of any additional information, please contact me directly at (302) 283-2274 or via E-mail at ralph.boedeker@tetrattech.com.

Sincerely,

Ralph Boedeker, P.E., Radiation Safety Officer
Manager, Geotechnical Engineering and Construction Services Department
