RE: SS&D Submission for Flexitron® HDR Afterloading System

Dear Mr. Manley:

This letter will serve to inform you formally that Isodose Control BV will move into new quarters on July 7, 2008. That address will be:

Isodose Control BV
Maxwellstraat 16
6716 BX Ede
The Netherlands

"Ede" is the city name; "6716 BX" is the "zip code." We do not have a fixed move date yet. Other regulatory bodies are also being informed.

Please let us know if there are any further issues or questions.

Best Regards.

Peter B. Dove
President & Managing Director
Isodose Control Inc.
