**BELL BEND NUCLEAR POWER PLANT
CORRECTED INDIANA BAT MIST NET SURVEY
BNP-2014-066 Docket No. 52-039**

Reference: 1) R. R. Sgarro (PPL Bell Bend, LLC) to U.S. NRC, "Information in Support of a Biological Assessment Under Section 7 of the Endangered Species Act", dated October 3, 2013

The purpose of this letter is to provide a corrected copy of the report "Indiana Bat Mist Net Survey at the Proposed Bell Bend Nuclear Power Plant, Luzerne County, Pennsylvania." The original study was transmitted as part of Reference 1. The enclosed Revision 1 of this report deletes an erroneous reference to the capture of one (1) northern myotis (*Myotis septentrionalis*), which did not occur during the course of the Bell Bend survey. The reference was inadvertently included from a separate study that the vendor was conducting at the same time as the Bell Bend study.

Should you have questions, please contact the undersigned at 610.774.7552.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on April 24, 2014.

Respectfully,

Rocco R. Sgarro

RRS/kw
