In the Matter of
SHAW AREVA MOX SERVICES
Mixed Oxide Fuel Fabrication Facility
Docket No. 70-3098-MLA

Dear Administrative Judges,

The NRC staff ("Staff") herein submits to the Atomic Safety and Licensing Board ("Board") and the parties hardcopies of its Reply to Intervenors' Comments on Proposed Redactions along with its revised proposed redactions to the Board's Initial Decision.

The contents of this submittal contain documents marked as "Official Use Only – Security Related Information." These documents should not be released to the public without prior consent of the Commission.

Because the contents of this submittal contain security sensitive information, they should be withheld from public disclosure in accordance with 10 CFR § 2.390, and protected pursuant to the provisions of the July 26, 2011 Protective Order and Non-Disclosure Declaration. When separated from the enclosures, this transmittal document and certificate of service are decontrolled and may be recorded on the public docket.

Please contact me, (301) 415-2174, christopher.hair@nrc.gov, to resolve any discrepancies in the document submittals, should they arise.

Respectfully submitted,

Christopher C. Hair
Counsel for the NRC Staff
