Dear Sir or Madam,

Good morning,

I am seeking for the "more than 400 pages document" showing 90% of the workers in Fukushima Daiichi run away just after the accident except for only 50s. It is consisting of hearing from Masao Yoshida( Fukusima Daiichi Manager in 2011, and now passed by cancer), mentioned in the link below.

I request the Full fee waiver; This request is aiming for non commercial use, we are the news media ( echo-news.net ) and the article shall be distributed to the public.

Wishes.
