To whom it may concern:

This is a request for records under the provisions of the Freedom of Information Act. I request a copy of the NRC Style Manual.

A style guide or style manual is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents.

I prefer to receive this document in electronic/digital format if practicable.

This is an individual noncommercial request. It falls into the fee category "all other requesters". I agree to pay up to \$25 for statutory fees if necessary.

Sincerely,

Michael Ravnitzky
