REVISION TO CORRECTIVE ACTION COMPLETION DATE

Gentlemen:

The purpose of this letter is to revise our committed completion date of November 18, 1994, for the Emergency Operating Procedures (EOPs) and Abnormal Operating Procedures (AOPs) Upgrade Project. We originally committed to this date by letter to the NRC dated May 9, 1994, in response to a Notice of Violation identified in NRC Inspection Report 50-261/94-07. The procedure revisions for this project have been accomplished; however, our completion date is being revised to December 16, 1994, primarily to support the operator training required as a result of the procedure changes.

Questions regarding this matter may be referred to Mr. K. R. Jury at (803) 383-1363.

Very truly yours,

R. M. Krich
