The earliest effective date for the enclosed plan and procedure changes is January 31, 1997; therefore, this submittal is due by March 3, 1997.

We have reviewed the changes to our Emergency Plan and determined that they do not decrease the effectiveness of the plan, and the plan, as changed, continues to meet the standards of 10 CFR 50.47(b) and the requirements of 10 CFR 50, Appendix E.

Also enclosed are a summary of the procedure revisions and their effective dates and instructions for replacement, and a cross-reference of the Emergency Plan revisions with the affected section identified. A discussion of the reason for each of the procedure changes is provided on the list of affected pages for each procedure.
