**Subject: Revised Date for Completion of NEI Initiative Addressed in NEI 96-05**

Dear Sir or Madam:

By this letter, Carolina Power & Light (CP&L) is informing the NRC of changes related to CP&L's commitment to complete the NEI Initiative in accordance with NEI 96-05. In Item II.A.2 of Attachment G to a February 11, 1997 letter (PE&RAS-97-006), CP&L committed to complete the NEI Initiative as part of the "Response To Request for Information Pursuant to 10CFR50.54(f) Regarding Adequacy and Availability of Design Bases Information." That commitment read:

"Complete the NEI Initiative described in accordance with the NEI letter from Mr. J.F. Colvin to the Honorable Shirley A. Jackson dated August 2, 1996."

It is CP&L's understanding that NEI is in the process of revising the implementation date from April 15, 1997 to June 14, 1997. Consequently, CP&L commits to complete the NEI Initiative in accordance with NEI 96-05 by June 14, 1997.
