DOCKET NO. 50-261/LICENSE NO. DPR-23

LICENSEE EVENT REPORT NO. 97-05-01

Gentlemen:

The attached supplemental Licensee Event Report (LER) is submitted in accordance with 10 CFR 50.73. The original LER, dated May 22, 1997, stated that an unreviewed safety question submittal, with the results of an evaluation of the off-site doses resulting from a spent fuel shipping cask drop with cask that does not have full shipping integrity, would be submitted to the NRC by June 30, 1997. By letters dated April 25, and May 29, 1997, Carolina Power & Light (CP&L) Company notified the NRC of this unreviewed safety question and committed to submit a request for NRC review of this issue. This supplement revises the unreviewed safety question submittal date to August 31, 1997. The revised information in this LER is denoted with a revision bar.

Should you have any questions regarding this matter, please contact Mr. H. K. Chernoff at (803) 857-1437.

Very truly yours,

*Dale E. Young for*
