IODINE SPIKING DURING PLANT OPERATION

Dear Mr. Reid:

In accordance with your letter of April 13, 1977, attached is information on iodine spiking for power changes in excess of 25% of nominal power occurring within an hour. The information covers the period from May 1, 1976 to April 30, 1977, and provides available measurements for each of the parameters listed.

Yours very truly,

B. J. Furr
Manager
