ADDITIONAL INFORMATION - FIRE PROTECTION PROGRAM

Dear Mr. Schwencer:

In your letter of March 13, 1978, you forwarded requests for additional information regarding the Fire Protection Program for H. B. Robinson Unit No. 2. Due to continuing delays in completion of engineering work by our architect/engineer, a revision to the schedule for submittal of our response to Item 12 (Flame Retardant Coatings) is requested. We want to extend the submittal date for this item to December 1, 1978. This change will not affect the scheduled implementation date for this work.

Yours very truly,

E. E. Utley  
Senior Vice President  
Power Supply
