Dear Bob:

At Tim Lee's request I have updated my document review made last November and have marked up a copy accordingly - see attachment. As you will note, in most of the cases there is still no licensee input received at Brookhaven National Laboratory (BNL).

In addition, I've enclosed copies of all letters referenced in my document review letter to you dated November 29, 1979.

Hope this is of help to you in getting timely licensee's responses to BNL and our consultants.

Very truly yours,

Edward A. MacDougall
