SUBJECT: RAM SERVICES, INC. NEW REGISTRATION CERTIFICATE NUMBER
NR-1370-D-102-G

This letter is in response to your application dated January 31, 2014, requesting a Sealed Source and Device Registration for ISOSINT beta gauge. A copy of the new registration is enclosed.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture, distribute, or offer service support for the product.

If you have any questions, please contact me at Maria.Arribas-Colon@nrc.gov or (301) 415-6026.

Sincerely,

/RA/
