RE: PRIMED, LLC D/B/A CONNECTICUT HEART & VASCULAR CENTER,
NRC MATERIALS LICENSE 06-30537-01
PRIMED LLC D/B/A HEART SPECIALISTS, PC OF SOUTHERN CONNECTICUT,
NRC MATERIALS LICENSE 06-30657-01

Dear Ms. Abogunde:

Pursuant to our phone call on May 2, 2014, it is requested that the two (2) licenses referenced above be merged in to a single license with two (2) locations and that the licensee name be changed to "Northeast Medical Group, Inc.

Below you will find answers to your questions

1. Provide a complete description of the transaction (transfer of stocks or assets, or merger). Indicate whether the name has changed and include the new name. Include the name and telephone number of a licensee contact who NRC may contact if more information is needed.

Northeast Medical Group, Inc., is a medical foundation organized and existing under the laws of the State of Connecticut ("NEMG"), and Yale-New Haven Health Services Corporation d/b/a Yale New Haven Health System, is a Connecticut nonstock corporation ("YNHHS" and together with NEMG, "Yale New Haven Health").

YNHHS operates an integrated medical services delivery system in Connecticut, eastern New York and Southern Rhode Island, including Bridgeport Hospital, Greenwich Hospital, Yale New-Haven Hospital and NEMG, YNHHS' medical foundation. YNHHS is widely recognized for its successful and innovative approach to health care delivery, having been identified as one of the top integrated systems in America (Verispan Top 100). Hospitals within YNHHS have been recognized as leading hospital organizations for technology (Most Wired Hospitals), as one of the top U.S. hospitals for its continued excellence in multiple specialties (US News and World Report) and for maintaining patient satisfaction rankings in the 95th percentile or higher (Press Gancy Associates Summit Award). In 2013, YNHHS employed over 18,000 people, had over 5,000 medical staff members, and with over 2,150 licensed beds, its hospitals provided care for more than 300,000 patient days. NEMG, the physician practice affiliate of YNHHS, has more than 1,100 employees and involves over 500 physicians in practices ranging from Westchester County, New York to the Rhode Island border.

REC'D IN LAT 6-19-14

584198

584199

NMSS/RGN1 MATERIALS-002

On February 14, 2014, PriMed, LLC entered into, an Asset Purchase Agreement with Yale New Haven Health. The Purchase Agreement provides that NEMG will purchase substantially all of the assets of PriMed and properties owned, used or held for use by PriMed in connection with or relating to the operation of its business. The physicians of PriMed became members of NEMG's clinically integrated network when the transaction closed on June 1, 2014.

The NRC may contact Peter Logue, NEMG Executive Director, at 203-384-3873 or by email at Peter.Logue@YNHH.ORG if more information is needed.

2. *Describe any changes in personnel or duties that relate to the licensed program. Include training and experience for new personnel.*

There are no changes in personnel or duties that relate to the licensed program. We would request that Robert Sackstein, MD continue to be the Radiation Safety Officer at 112 Quarry Road Suite 400, Trumbull, CT and that Anthony D'Souza, MD continue to be the Radiation Safety Officer at 4 Corporate Drive Suite 100, Shelton, CT.

3. *Describe any changes in the organization, location, facilities, equipment or procedures that relate to the licensed program.*

There are no changes in the organization, location, facilities, equipment or procedures that relate to the licensed program. The licensed programs will continue to operate at 112 Quarry Road Suite 400, Trumbull, CT and 4 Corporate Drive Suite 100, Shelton, CT.

4. *Describe the status of the surveillance program (surveys, wipe tests, quality control) at the present time and the expected status at the time that control is to be transferred.*

The surveillance program is up-to-date.

5. *Confirm that all records concerning the safe and effective decommissioning of the facility will be transferred to the transferee or to NRC, as appropriate. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity.*

All records concerning the safe and effective decommissioning of the facility will be transferred to the transferee or to the NRC, as appropriate.

6. *Confirm that the transferee will abide by all constraints, conditions, requirements and commitments of the transferor or that the transferee will submit a complete description of the proposed licensed program.*

The transferee will abide by all constraints, conditions, requirements and commitments of the transferor.

Amit Rasfogi, MD
President & Chief Executive Officer
PriMed, LLC

Robert Nordgren MD, MBA, MPH
Chief Executive Officer
Northeast Medical Group, PC

1. *Please confirm that NEMG does not perform any activities that fall under any other active NRC licenses.*

NEMG does not perform any activities that fall under any other active NRC licenses.
