Dear Mr. Varga:

By letter dated January 13, 1981 you asked us to review a draft Environmental Protection Plan (EPP) which was prepared by your staff based on our submittal of March 17, 1980. It is our understanding it is not your intent to require reporting and monitoring requirements different from those already imposed by State and other Federal Agencies. Accordingly, we have made revisions to your proposal to make the EPP consistent with the requirements of our NPDES permit and requirements of the Environmental Protection Agency (EPA).

As requested by you, we are also submitting a Class III amendment fee in the amount of \$4,000.

Yours very truly,

E. E. Utley
