FOR NUREG-0737, ITEM II.F.2

Gentlemen:

Your letter dated August 31, 1988 requested additional information regarding our license amendment request dated August 9, 1988 concerning Core Exit Thermocouples. In a subsequent telephone conversation, questions were raised regarding proposed Action Statements for the Core Exit Thermocouples and Reactor Vessel Level Indication Systems Specifications. Per discussion between Messrs. Ronnie Lo (NRC) and Jan Kozyra (Carolina Power & Light Company) on September 28, 1988, a comprehensive resolution to these issues will be proposed by November 11, 1988.

Questions regarding matter may be referred to Mr. R. W. Prunty at (919) 836-7318.

Yours very truly,

  
R. B. Richey
