Re: NRC Indemnification Refund
License No. DPR #23 - H. B. Robinson Unit No. 2

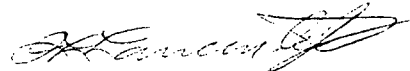

Dear Mr. Saltzman:

Attached is a copy of my letter of December 14 advising the Office of the Controller that funds have been transferred to the United States Nuclear Regulatory Commission in the amount of \$26,400 covering the Indemnity Fee on the captioned license for the period of December 4, 1978 to December 4, 1979.

It is our understanding that the NRC indemnity is now in the \$1 million to \$99 million range and that the fee schedule will be reduced to \$6 per Megawatt Thermal effective January 1, 1979. Since the full amount of \$26,400 based on \$12 per MWT was paid for the period December 4, 1978 to December 4, 1979, it would appear that we are entitled to a refund based on \$6 per MWT for the period January 1, 1979 to December 4, 1979.

It is hereby requested that the check covering the refund resulting from the reduction of the Indemnity Fee effective January 1, 1979 be sent to the attention of the undersigned.

Very truly yours,

J. L. Lancaster, Jr.
