REQUEST FOR LICENSE AMENDMENT  
BYPRODUCT, SOURCE, AND SPECIAL NUCLEAR MATERIAL

Dear Mr. Schwencer:

On September 20, 1979, Carolina Power & Light Company (CP&L) submitted to you a supplement to our December 18, 1974 request for a revision to the H. B. Robinson Operating License. This letter further supplements that request.

Based on conversations with your staff, the following material is provided:

- a. A rewording of the proposed changes to items B through E of paragraph 2 of the H. B. Robinson Operating License. This wording should be substituted for that proposed in our September 20, 1979 submittal.
- b. A description of the H. B. Robinson Health Physics Program.

We trust this information is suitable for your use.

Yours very truly,

E. E. Utley

Executive Vice President  
Power Supply and Customer Services
