SHIFT SUPERVISOR RESPONSIBILITIES
ITEM 2.2.1.a OF NUREG-0578

Dear Mr. Eisenhut:

In letters dated December 31, 1979, Carolina Power & Light Company (CP&L) committed to comply with the requirements of Item 2.2.1.a of NUREG-0578 - Short Term Lessons Learned (Item I.C.3 of NUREG-0737) which deals with Shift Supervisor Responsibilities. As required by that item, CP&L has reissued the management directives [which delineate Shift Supervisor responsibility] on an annual basis, and intends to continue doing so. CP&L, however, no longer intends to continue to send copies of this internal correspondence to the NRC Regional Office. Copies will continue to be available on site for inspection and audit by NRC inspectors. CP&L believes that this revised commitment is more consistent with our normal method of doing business while continuing to meet the NRC requirements.

If you have any questions on this issue, please contact our staff.

Yours very truly,

L. W. Eury
Senior Vice President
Power Supply
