INSERVICE INSPECTION PROGRAM
REQUEST FOR ADDITIONAL INFORMATION

Dear Mr. Varga:

Carolina Power & Light Company (CP&L) has received your letter, dated May 10, 1982, requesting additional information regarding the H. B. Robinson Steam Electric Plant (HBR) Unit No. 2 Inservice Inspection Program for the second ten year interval. In light of the fact that the individuals needed to respond to your request are heavily involved in the completion of the first ten year Inservice Inspection, and the fact that they will be preparing the inspection report soon after start-up, we request an extension until October 1, 1982 for submittal of the additional information request.

If you have any questions regarding this extension request, please contact a member of my staff.

Yours very truly,

S. R. Zimmerman
Manager
