U.S. Nuclear Regulatory Commission  
Materials Licensing Branch  
Region I  
475 Allendale Road  
King of Prussia, PA 19406  
RE: Radioactive Material License No. 47-16720-01  
Preston Memorial Hospital

Licensee(s): Preston Memorial Hospital  
License No.: 47-16720-01  
Docket No.: 030-11644  
Control No.: 583554

To Whom It May Concern,

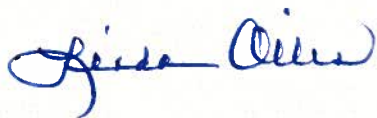

You will find below the additional information you requested on June 2, 2014 via email.

1. None of the affiliates of Mon Health System: Monongalia Emergency Medical Services, Monongalia Health Care Equipment and Supplies, and the Village at Heritage Point perform any NRC licensed activities.
2. The Letter of Intent signed in 2013 and the approved Certificate of Need are included as attachments to the email.
3. The response to Item 1.f. of the letter dated May 16<sup>th</sup>, 2014 is hereby amended and restated to read as follows:

Confirm that the transferee will abide by all constraints, conditions, requirements and commitments of the transferor or that the transferee will submit a complete description of the proposed licensed program. **Yes, Monongalia Health System will abide by all constraints, conditions and requirements and commitments as if no transfer occurred.**

4. As the signature below will serve to attest, the Monongalia Health System will not require Preston Memorial Hospital or Preston Memorial Hospital's Board to act in any manner that is contrary to the requirements of the Preston Memorial Hospital NRC license, the NRC regulations, or the licensing commitments made by Preston Memorial Hospital. Monongalia Health System is aware we have acquired an NRC licensee and that they will abide by all constraints, conditions, requirement of the NRC license and NRC regulations, as well as any commitments made by Preston Memorial Hospital.

Sincerely,

Linda Ollis  
Chief Operating Officer  
Monongalia Health System
