RE: Termination of License # 06-28731-02

I am writing the NRC to request the immediate termination of Galasso Materials, LLC. License # 06-28731-02, as the facility is no longer in need of such testing equipment.

I am also in contact with an appropriate license holder who is willing to accept transfer of the gauge to his/her location for future use, but will wait for NRC response before said transfer.

Thank You,
