Ms. Fitchett,

We will grant you 20 additional days to provide us with the information requested. If you do not provide the required information by Monday, August 18th, we will discontinue our review of your application for renewal. In that circumstance, your license will expire, as prescribed therein, on October 31st, 2014.

If you are unable to get the required information to us by August 18th, you may still resubmit your renewal application by October 1st, 2014. If we do not receive this resubmission by October 1st, however, your current NRC license will expire, and you will need to apply for a new license altogether in order to continue conducting licensed activities.

Best Regards,

Justin Vazquez
