Dear Mr. Remley:

In letter dated July 7, 2014 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML14139A020), it was incorrectly stated that Mitsubishi Electric Corporation (MELCO) had not submitted a nonproprietary copy of its topical report "Safety System Digital Platform – MELTAC [Mitsubishi Electric Total Advanced Controller] – Topical Report Revision 0." In fact, MELCO has provided the U.S. Nuclear Regulatory Commission with a nonproprietary version of the topical report. The ADAMS Accession No. is ML14121A418 and the document is publically available.

This letter serves to correct the misstatement in the July 7, 2014, correspondence.

Sincerely,

/RA/
