1977 ANNUAL OPERATING REPORT

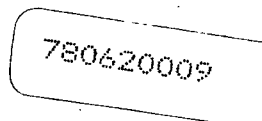

Dear Mr. O'Reilly:

The 1977 Annual Operating Report for the H. B. Robinson Plant is due before March 1, 1978. However, the heavy work load on plant personnel during the current refueling outage has led us to request an extension of the due date. A one-month extension was granted by telephone by your staff on February 16, 1978. Thank you for your cooperation in this matter. The report will be submitted by April 1, 1978.

Yours very truly,

H. R. Banks
Manager
Nuclear Generation
