Subject: License Amendment to Release the Radioactive Waste Storage Room #1, Building 1
(Chamblee Campus), Control # 584065

Dear Sir:

Re: NRC License Number 10-06772-01

1. A CDC License Amendment Letter was forwarded to the USNRC dated June 3, 2014 with the same subject as this letter. At Attachment 1 of the letter was the radiological decommissioning final report for the Radioactive Waste Storage Room # 1 in Building 1 on the Centers for Disease Control (CDC) and Prevention Chamblee Campus located at 4770 Buford Highway, Chamblee, GA 30341. CDC conducts radiological protocols under the NRC License Number 10-06772-01.

Note that since we forwarded our original June 3rd NRC letter to you, we have realized that it is in our best interest to pursue another course of action. Therefore, CDC is hereby submitting this letter to formally request that the CDC License Amendment Letter dated June 3, 2014 with Control # 584065 be retracted.
