Thanks, Dara. I'll check availability and get back with you. I will be out that week, but that shouldn't be an issue.

Subject: FW: Draft RAIs re: Indian Point Aquatic Impacts

Hi Mike

I just got through with discussing the draft that you sent with our Hudson River Biology experts and we have questions would like to have a clarification call to discuss with you before finalizing the RAI. Due to next week's Annual AFS Meeting in Quebec, can we set something up for the week of 8/25 (8/26 excluded)? Please let me know.

Thanks

Dara Gray REM
