Carolina Power & Light Company

May 17, 1974

Mr. John F. O'Leary  
Directorate of Licensing  
Office of Regulation  
U. S. Atomic Energy Commission  
Washington, D. C. 20545

RE: DOCKET NO. 50-261

Dear Mr. O'Leary:

On April 26, 1974, Carolina Power & Light Company notified the AEC that we would soon submit an application to the EPA for exemption of the H. B. Robinson Plant Impoundment under Section 316(a) of the Federal Water Pollution Control Act Amendments of 1972 (PL 92-500). Carolina Power & Light Company transmits herewith fifteen (15) copies of this application for your information.

Because the decision on a 316(a) exemption is necessary before additional plans for the Robinson Impoundment can be finalized, we will keep your staff fully informed of developments in the EPA review of this application.

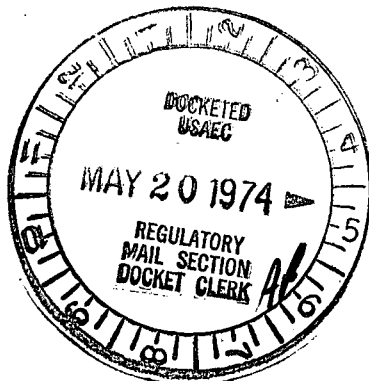

Yours very truly,
