Ladies and Gentlemen,

This is the agenda that AREVA is proposing for our next iteration in determining the scope and schedule for the review in FY15. They say that they will have a timeline and a correlation of RAIs to issues next week. They really want to meet before Labor Day so, unless someone objects, I will set up a meeting and trust that they will get adequate details to us next week. I am looking at August 27, 2014, and I have to issue the notice by tomorrow. I am looking at a half day in the afternoon. If either you or a representative cannot make it, please say so.

I sincerely appreciate your attendance at today's meeting. Your input was most valuable and I know we can count on your support as we move forward.

Thanks,

George
