Subject: October 29, 1999 Robarge/Dienethal Intervention Petition

Commonwealth Edison (ComEd) Company agrees with the NRC Staff's Response To Petition To Intervene On Exemption From Physical Protection Regulations Filed By Randy D. Robarge and Edwin D. Dienethal, which was served on November 16, 1999. ComEd received the NRC Staff's Response after receiving the Commission's Order dated November 16, 1999 in this matter. The NRC Staff's Response sets forth an adequate basis for the Commission to decide that the October 29, 1999 intervention petition by Messrs. Robarge and Dienethal should be denied. Accordingly, ComEd has determined not to provide a response to the petition.
