Ms. Lizette Roldan-Otero
Nuclear Regulatory Commission
Via Email

RECEIVED
AUG 18 2014**RE: WWC Engineering Radiation Safety Officer****DNMS**

Dear Lizette,

We are writing to advise you that we have changed the person who will serve as our new RSO following Mr. Morgan Wardell's departure. In an earlier letter we advised you that Mr. Joshua Walrath would serve in this capacity; we now want you to know that Mr. Garrett Zimmer will be WWC's RSO. Mr. Zimmer's operator's license is attached.

Sincerely,

Michael J. Evers, P.G.
President

Enclosure, as noted

Nuclear Gauge Safety Certification

This certifies that

Garrett Zimmer

has successfully completed training on radiation safety and regulatory requirements for the use of portable nuclear gauges on this date.

January 13, 2014

This certificate is not valid until signed by the licensee RSO.

I attest that the person named above, and no other, has completed the online course and tests. I certify that the individual has completed practical skills training for setting up and making measurements, routine maintenance, packaging and transport, storage, and emergency procedures for portable nuclear gauges.

Licensee RSO

Morgan Wardell

HAZMAT CERTIFICATION

as required by U.S. DOT and IATA

This certifies that

Garrett Zimmer

has been trained and tested in accordance with the U.S. Department of Transportation and International Air Transport Association (IATA) hazardous material requirements for general awareness/familiarization, function-specific, safety, and security awareness training as related to the transportation of nuclear gauges. A description of the training course materials is available from Troxler Electronic Laboratories, Inc. This certificate expires three years from the training date shown below.

January 13, 2014

EMPLOYER CERTIFICATION

I certify that the hazmat employee identified on this certificate has been trained and tested as required by U.S. DOT Hazardous Material Regulations (49 CFR 172 Subpart H).
