Discussion: I asked Mr. Crowe how many gauges he has and he stated two troxler gauges. I stated he only put enough activity for one on the application and if he would like the quantity increased for both gauges. He said that he would like to increase the amount. I asked Mr. Crowe what happened to the Seaman gauge? He said he still had it but was in the process of sending it for disposal. I asked if he wanted me to write the renewal with the Seaman gauge or wait until he completed the disposal of the Seaman gauge. He said to write the renewal now and he would request an amendment later for the removal of the Seaman gauges.

Action Required: Write the renewal
