Re: Docket No. 70-1214; Indemnity Agreement
No. B-43; H. B. Robinson Unit No. 2,
Hartsville, South Carolina

Dear Mr. Saltzman:

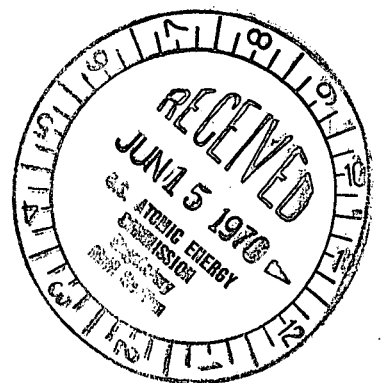

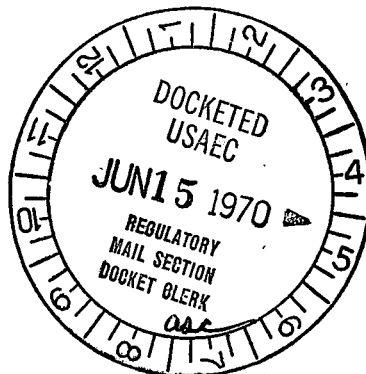

In furtherance of our telephone conference of this date, I am transmitting six copies of the H. B. Robinson plot plan and six copies of a sketch of the H. B. Robinson plant properties. The area within the hatched lines on the plot plan consists of the plant site for the purposes of NELIA insurance.

The NELIA policy earlier filed in connection with the Company's application for a special nuclear materials handling license is being amended by endorsement to increase the policy limits to \$84,000,000 and to restate the site description to conform to that shown on the plot plan. Copies of these endorsements will be transmitted to you immediately upon receipt from the insurer.

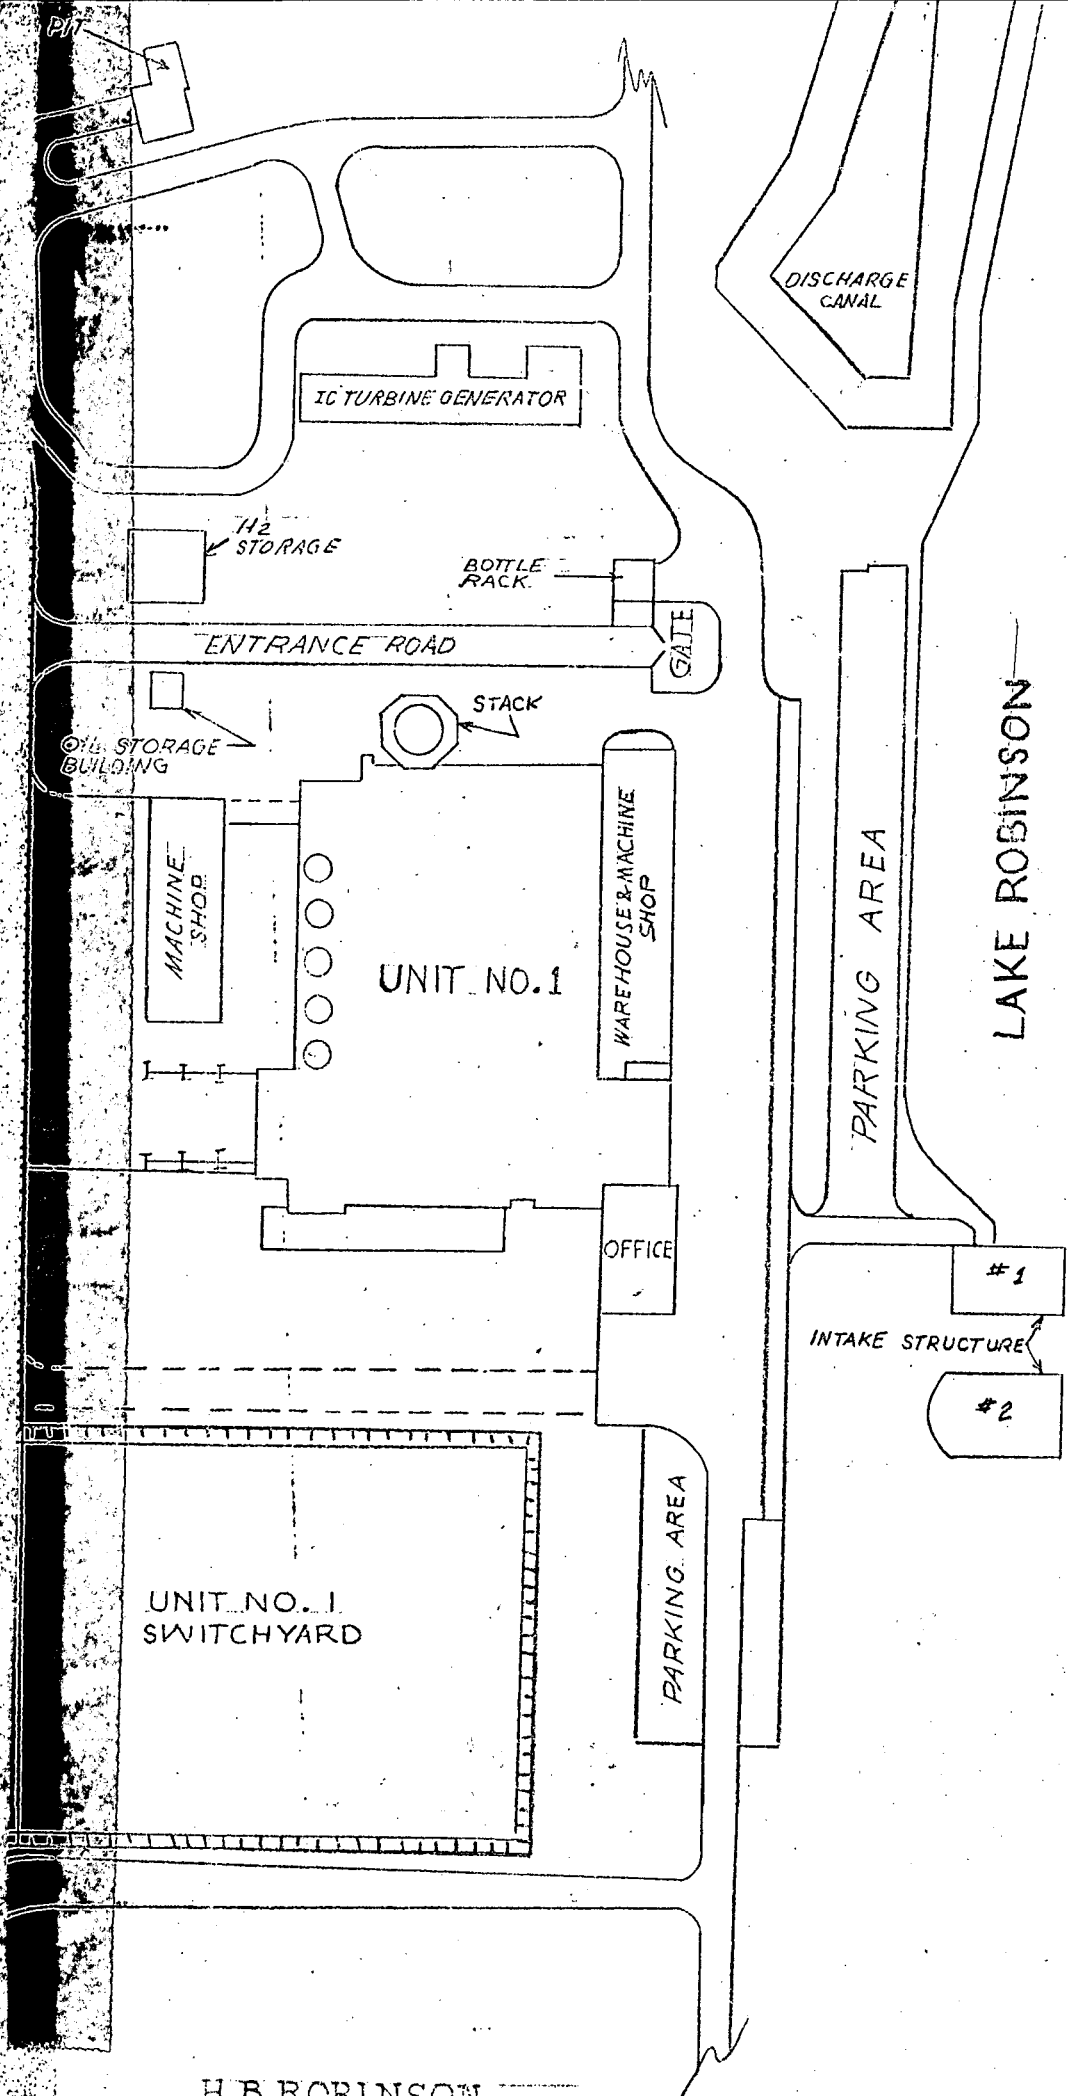

Very truly yours,

Charles D. Barham, Jr.
